## Top Five September 17, 2015

This week, Christina Rees and Rainey Knudson take on single-work shows, dystopian preachers, and Japanese gardens.

2. Katia Santibañez: New Paintings  
Texas Gallery (Houston)  
September 10 – October 17

An exhibition of new paintings by New York-based artist Katia Santibañez. Inspired by microbiology, Santibañez's paintings are densely patterned and draw upon forms found in nature.
