Sunnyside Yards in Abstract

March 19, 2019

Above: "Sunnyside Yard 25" by Andrea Belag

Artist Andrea Belag has rendered a series of abstract prints named after the Sunnyside Yards. Above, "Sunnyside Yard 25," says *Pinterest*, is "a large exuberant abstract

monoprint, with brush strokes both gestural and minimalist.” The 2016 piece is priced at \$2,875. Same for other prints, also named “Sunnyside Yard” and numbered. Belag told me she made the prints at VanDeb Editions on Northern Boulevard. “I could see Sunnyside Yards out the window,” she said.

Belag’s work will be on exhibit at the Morgan Lehman Gallery in Chelsea on April 4.
